

Chesterfield-Colonial Heights Department of Social Services Tools for School Program

Tools for School is an annual program coordinated by Chesterfield-Colonial Heights Department of Social Services to provide children with new school supplies. The children served by the program are from families that receive services from the Department of Social Services.

How can a person support the Tools for School program?

1. You can sponsor one or more children by calling:

Kathy Perun, Volunteer Coordinator - (804) 751- 4398. We will send you the child's first name, gender, grade and their school supply list. Please purchase a new book bag and fill it with all the needed supplies and return the book bag to our agency.

2. You can donate money to the program:

Checks should be made payable to Chesterfield-Colonial Heights Department of Social Services. On the memo line please write *School Supplies*. This money will be used to purchase \$40 gift cards for children not sponsored.

3. You can donate \$40 gift cards from any store that sells school supplies. These cards are given to the parents of children not sponsored. The parent uses the gift card to buy supplies for the child.

Your help will make a difference - we anticipate about 800 children need assistance for the 2009-2010 school year!

Please mail all money and gift card donations to:
